2. RESPONSIBILITIES OF THE AUDITORS AND THE MANAGEMENT IN RELATION TO THE FINANCIAL STATEMENTS

The responsibilities of the independent auditors, in a usual examination of financial statements, are explained in the International Standard on Auditing - 200. While the auditors are responsible for forming and expressing their opinion on the financial statements, the responsibility for preparation of the financial statements is primarily that of the company's management. The management's responsibilities include the maintenance of adequate accounting records and internal controls, the selection and application of accounting policies, safeguarding the assets of the company and prevention and detection of frauds and irregularities. The audit of financial statements does not relieve the management of its responsibilities. Accordingly, our examination of the books of account and records should not be relied upon to disclose all the errors or irregularities in relation to the financial statements.

3. SIGNIFICANT MATTERS

We set forth below significant matters, noted by us during the audit, which in our view warrant attention of the Board:

3.1 Income tax

The company is required under Section 153 of the Income Tax Ordinance, 2001 (the Ordinance) to deduct or collect income tax at source from payments made against supply of goods and services and deposit the same in the government treasury within 15 days of its deduction or collection as the case may be. It has been observed that tax deducted has not been deducted and deposited in the government treasury on a timely basis. The tax authorities may initiate recovery proceedings against the company under Section 161 of the Ordinance for not ensuring timely deposit of tax deducted and also may also impose default surcharge in this respect. Instance of payments from which tax deducted has been late deposited has been provided to the management.

3.2 Agreements with sponsors of fashion weeks

We understand that certain Companies have sponsored the fashion weeks held by the Company. In the absence of any formal contracts/agreements to the said contributions, we would require board's specific approval as to the nature and completeness of the amounts involved. Approval is required for the following contributions made:

Corporate Sponsor	Amount in millions
Unilever	12.0
L'Oreal Pakistan Ltd.	7.0
Zong Pakistan	3.0
Bank Alfalah Ltd.	5.0
Pepsi	0.15

3.3 Cash insurance

The Company has not entered into an insurance policy for cash-in-hand or cash-in-transit. The Company regularly deals in large amounts of cash in the form of payments as well as receipts. A comprehensive insurance policy should be entered into to safeguard the assets of the Company.

3.4 Compliance with the provisions of Companies Ordinance, 1984

We have observed that the Annual general meeting and Board of Directors' meetings of the company were not conducted during the period. This is a non-compliance of section 158(1) and 193(2) respectively of the Companies Ordinance 1984, which requires that the company shall hold an annual general meeting once at least in every calendar year and directors of a public company shall meet at least once in each quarter of a year respectively. We recommend that the company should ensure strict compliance with the requirements of the Companies Ordinance, 1984.
